RE: Stipulate Penalty Notification Letter Dated June 28, 2017
Solutia – John F. Queeny Plant
St. Louis, Missouri
EPA ID No. MOD 004 954 111

Dear Mr. Morrison:

This letter is submitted in response to the referenced U.S. Environmental Protection Agency (EPA) correspondence. The revised Corrective Measures Study (CMS) was sent to EPA on June 30, 2017 via Federal Express, with confirmed receipt on July 3, 2017.

Per your letter, as the CMS was confirmed received within 14 days of your letter, SWH Investments II is in compliance, no penalties apply, and there is no requirement to request an extension. If this understanding is not accurate, please advise us.

If there are questions or concerns related to this matter, please contact Larry Rosen, who can be reached by phone at (314) 480-4694, or via email at larryr@environmentalops.com.

Respectfully submitted,
ENVIRONMENTAL OPERATIONS, INC.

Lawrence C. Rosen, R.G.
Senior Project Manager
